WHAT OUR LEARNERS SAID ABOUT US

"Professional and it feels like we're onsite... good sessions.

"Exceptional trainer, dedicated, professional! He provided samples configuration, asked question and engaged with the trainees.

"Good knowledge on the topics and very responsive on any question or doubt I may have had.

"One of my best courses due to the trainer keeping my interest and my tension all the time by involving the people in his thoughts.

"Very knowledgable and friendly. Willing to answer all questions and explain topics from a practical point of view, even engaging in extra topics if we requested it.

"One of the best instructors I have met, with tremendous knowledge, exceptional teaching skills, and a remarkable ability to make complex topics easy to understand.

PROJECT 525 – BECOME CCIE IN A YEAR

The **525 project** is a structured and mentored 12-month program, created in partnership with Cisco, that aims to get candidates ready to take and pass their CCIE exam. Systematic study deepens your understanding of the field, and our 525 program provides a structured pathway for disciplined learning, repeated practice, and skill mastery, enabling individuals to perform tasks more effectively and efficiently.

Visit **"Project 525"** site for more information.

REDEEM YOUR CLCs AND CHOOSE NIL LEARNING AS YOUR CISCO TRUSTED LEARNING PARTNER

Cisco Learning Credits (CLCs) are prepaid training vouchers that make planning for your success easier when purchasing Cisco products and services.

Whether you're an individual or part of a team, CLCs ensure you have the tools you need to maximize success and value with your Cisco solutions.

CLCs are flexible and convenient way to pay for Cisco trainings. Use them to upgrade your team's expertise with authorized Cisco training or choose Cisco U. to block your aging CLCs for another year and learn at your own pace.

Create a training plan that fits your needs.

How to maximize Your CLCs with NIL Learning?

You can partner with NIL Learning to strategically plan and optimize the use of your CLCs. Begin your path to success at **Cisco Learning Credit Management Tool (LCMT)** and follow the simple steps.

We are here to advise you, guide you and help you reach learning goals for you and your teams.

Begin your path to success with NIL Learning and create a training plan that fits your needs.

SKILL COMPETENCE MATURITY ASSESSMENT

Empower your organization with a targeted approach to skill transformation. Our Skill Competence Maturity Assessment evaluates your workforce's capabilities, identifies skill gaps, and provides a tailored action plan to enhance IT networking skills for both short-term improvements and long-term growth.

The process begins by reviewing your strategic goals and evaluating your workforce's current performance. We then identify gaps through 360-degree assessments, including self and peer evaluations, interviews, and skill tests. Based on this analysis, we develop a clear action plan with heatmaps to highlight areas needing development, ensuring your team's competencies align with your business objectives and future needs.

Transform your workforce today! **Contact** us for more information at **learning.nil.com/contact**.

LEARNING CONTENT FOR YOUR SUCCESS

Knowledge and experience. Content and its presentation. Everything counts, especially when it is adjusted to your environment. When it serves your needs and business requirements.

NIL Learning creates learning programs that enable you to stay ahead with emerging technologies and address the areas not covered by standard learning curricula. NIL can create the following types of content:

- **Classroom/Workshop/Instructor-led** training materials for on-site or online delivery

- **Remote lab content** that consolidates learners' skills

- **Assessments** to evaluate students' knowledge and skills

- **E-learning, multimedia, and other on-demand content** comprising interactive videos, animations, simulations, assessments, etc.

Visit **"Content Development"** site to learn more.

30-YEAR ANNIVERSARY AS BEING CISCO PLATINUM LEARNING PARTNER

As an educational provider, systems integrator and consulting company we extract business value from the experience gained on numerous projects and apply it to your business context. We adjust our training offerings and workshops to your specific projects, environments, and needs, which makes our learning services that much more efficient.

For over 30 years NIL has been at the forefront of advanced contributors to strategic partner Cisco's technologies, learning curriculum and value-added solutions deployed to clients around the globe. For our training achievements, contribution to Cisco training portfolio and highest customer satisfaction, we were also awarded with **Cisco Global Learning Partner of the Year, Cisco EMEAR Learning Partner of the Year, Cisco Customer Success Learning Partner of the Year** and **Cisco Learning Partner of the Year EMEA South Theatre** titles. NIL holds **Cisco Platinum Learning Partner** status and proudly **celebrates over 30 years of partnership with Cisco Systems.**

LIGHT UP YOUR TALENTS – GIVE YOUR BUSINESS A BOOST!
